

## How to use the Mediasite Q&A

### Student info

#### How to ask questions?

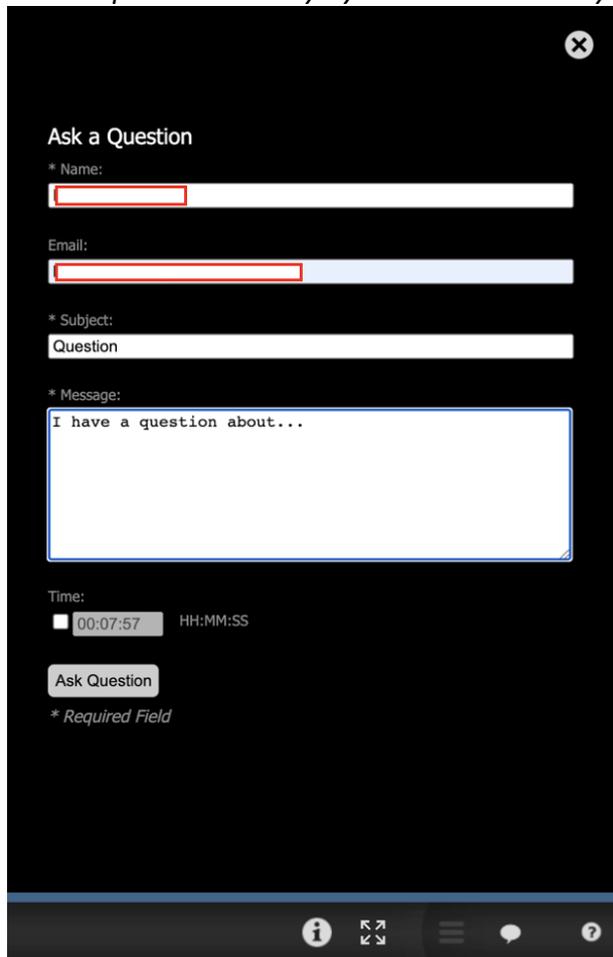

You can ask a question by clicking on the speech bubble in the bottom right corner of the player:

The “Ask a Question” screen pops up on the right side of the player.

You fill out the required fields and select “Ask Question.”

*Optional: If you add your email address the moderator will be able to reply to your question directly by email. Please use your university email address.*

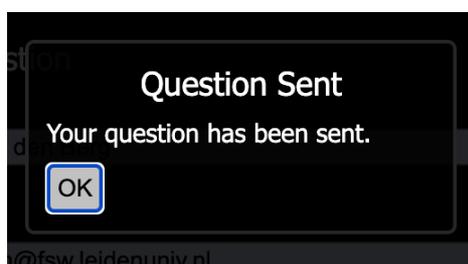

The screenshot shows a dark-themed mobile interface for asking a question. At the top right is a close button (X). The form is titled "Ask a Question" and contains the following fields:

- \* Name: A text input field with a red border.
- Email: A text input field with a red border.
- \* Subject: A text input field containing the word "Question".
- \* Message: A text area containing the text "I have a question about...".
- Time: A time picker showing "00:07:57" and "HH:MM:SS".

Below the fields is an "Ask Question" button. At the bottom of the form, there is a note: "\* Required Field". The bottom of the screen shows a navigation bar with icons for information, full screen, menu, chat, and help.

You will receive a confirmation that your question has been sent.

The moderator is now able to view your question and pass it on to the lecturer or reply via email (if you added your email address).
